• Choose the download option and follow instructions.

• Once the download has been made look for the application named **SBG Casino**

• The following options will be provided

- ▣ Sportbook
- ▣ Blackjack
- ▣ Oasis Poker
- ▣ Island Win
- ▣ Slots
- ▣ Register

• If you don't have an account you must go to Register and fill in the necessary information to obtain your account.

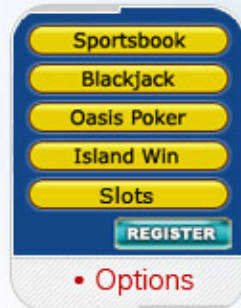

• If you have an SBG account go to YES and fill in the information requested.

- ▶ SBG account
- ▶ Password
- ▶ Mobile #
- ▶ Email
- ▶ Country

• Then choose register.

The following message will appear:

*"Connecting to the game server please wait..."*

• Once connected you will get this message:

- ▶ Register made successful
- ▶ Username: mobile #
- ▶ Password: the one entered
- ▶ SBG account: SBG sports account

## FAST SECURE SIMPLE

You may use either the phone number you registered or your SBG account to log in to the wireless download version.

If you do not have an SBG Account, then you must register with the information that is requested.

• Back to Menu

-Choose the option you want to download.  
-Once the application is downloaded you can start playing.

In some phones the application will be executed immediately after it has been downloaded. In others you must return to the application menu where the casino application will appear.

### Banking:

We offer multiple ways to fund your mobile account through various deposit and transfer methods.

### Transfer:

To transfer funds from your SBG account to your mobi account, go to "Deposit/Transfer" and select the "SBG Transfer Method". Select the amount you want to transfer and continue.

### Deposits:

For deposits go to "Deposit/Transfer" and hit the "Options" button. Then select "Register PM" and choose your preferred deposit method.

## .02 Payout Details:

Go to "Cash Out Transfer", establish the amount you want to transfer from the mobi account to your SBG account and hit "Cash Out"

Once you are there choose the amount you want to transfer then continue.
